

National Association of Credit Management

STRENGTH IN NUMBERS

BETTER INTERNATIONAL CREDIT INFORMATION AT A LOWER COST

SkyMinder aggregates business information, online and in real time, on more than 60 million public and private companies in 230 countries. Investigative services are available anywhere in the world.

SkyMinder includes information from the most reliable global information providers.

Information available at **SkyMinder**:

- Credit information
- Company profiles
- Custom U.S. credit reports
- Exclusive European and Japanese Content
- Customized Information Solutions

SkyMinder's unique feature is its pay-per-view pricing structure that optimizes your budget by pricing each transaction individually at the NACM Southwest discounted rate.

The **SkyMinder** Service allows you to search for free, with no per-minute charges or search fees, and **pay only for what you need.**

Alternatively, by opening a deposit account all your purchases will be automatically deducted from your account at a further-discounted **NACM Southwest** rate.

The rolling balance allows you to monitor your deposit account easily and at any time.
