FROM THE HICKS LAW GROUP PRESENT:

# CONSTRUCTION BOOT CAMP

Credit in the construction industry is a whole different operation compared to other industries. This session will cover the unique aspects of construction credit, including:

- Prompt Pay Acts
- Texas Theft Liability Act
- Chapter 171
- Uniform Fraudulent Transfer Act
- Job Sheets
- The latest in mechanic's lien laws and bond claim case law - learn from these mistakes!
- What is a P3 and a CMR, and how does it impact lien and bond claim rights?
- Application of construction trust fund statutes, use them to your advantage.
- What you need to know about DBE, MWBE, HUB goals in public and private projects.
- Panel Discussion: War stories from Construction Credit veterans. Learn strategies for success and how to avoid mistakes in the heat of battle.
