

BASIC FINANCIAL ACCOUNTING

Instructor: Toni Drake, CCE
President, TRM Financial Services

FAST TRACK: 2020
SUNDAY-THURSDAY
JAN. 19-23
8:30 AM-4:30 PM

Join us for an intensive program that offers a comprehensive look at the accounting function.

- Basic Accounting Principles and Concepts
- The Complete Accounting Cycle

This course presents an introduction to basic financial accounting. Students begin at square one, learning the foundation of accounting principles. As the language of business, accounting is essential to business professionals.
