Eliminate credit card acceptance fees and adhere to card network compliance requirements by using the UTA/Worldpay Fully Automated Credit Card Solution.

- Automatically apply surcharge fees to most Visa, MasterCard, Discover, and American Express payments
- Eliminate card network non-compliance exposure
- Smart surcharge calculation will apply the fee automatically
- Card validation occurs automatically, therefore only qualified payments are surcharged.
- Surcharging notification and disclosure requirements will be provided
- No software or integration to purchase
- Surcharge on line, back office, or at the point of sale.

NACM'S UTA REPRESENTATIVE: MICHAEL WILLIAMS

Michael has served the NACM Membership as Vice President of NACM Relations for over twenty years. A familiar face within the NACM, Michael has partnered with NACM Members of all sizes to introduce creative solutions for credit card surcharging and for providing simple, cost effective credit card alternatives.
