2022 ANNUAL
MEETING

WHAT ARE THE FINANCIAL EXPERTS PREDICTING FOR 2022?

Supply chain disruptions, inflation, rising interest rates, oh my!

Join us as we peer into that financial crystal ball with Bradley P. Wilson, CFP of Christensen Wealth Management of Wells Fargo Advisors. We'll look at where we've been and where the financial experts think we're heading...and the impact it will have on you, your company, and your customers.

Meet your NACM Southwest Board of Directors, find out what's on the calendar for 2022, and then wind up our online meeting...with some digital door prizes!

January 28th: 11:00 - 12:00 pm
Contact Tony Clark: tony@nacmsw.com

Bradley P. Wilson, CFP is a Manager Director at Christensen Wealth Management Group, of Wells Fargo Advisors. He is currently among a select group of Premier Advisors who meet or exceed high standards measured by business production, completion of educational components and professionalism. In 2019 he was selected as one of Forbes Top Next Generational Wealth Advisors. Additionally, he is also a Southern Methodist University CAPE instructor and teaches classes on personal finance and investment behavior.

Bradley is passionate about his involvement with Big Brothers Big Sisters of Greater Dallas. He is also an avid scuba diver, diving in locations such as the Caribbean, the Galapagos, and the Great Barrier Reef. He also enjoys traveling, having visited over 70 countries on 6 continents, and hopes to see Antarctica in the near future!
