MATTHEW C. JAMESON

Matthew Jameson focuses on business litigation, creditor's rights, construction law and acts as an outside general counsel. He represents businesses and individuals in state and federal courts throughout the state of Texas.

Taking those first steps:

Need help finding securing job information? Come join us to learn about some of the tricks and tools available to creditors to find this information. Matt Jameson will offer some suggested steps credit departments can utilize to mechanize finding accurate job information. Matt will also discuss the recent changes to the lien laws in Texas and offer guidance on determining whether the old or new lien laws apply to your project. Join us for this meeting and you will leave with invaluable information which every construction credit professional should have.
