NO CHARGE FOR NACM MEMBERS

Join us on a Teams Meeting Thursday, August 25, 2022 as we talk with Mike Taylor, Ian Logan, and Keith Cowart from FIS/GETPAID. This is your chance to ask questions about the platform, to offer suggestions, and to have your input considered.

Mike, Ian, and Keith want to make sure that you are getting the most out of the software and will provide a best-practices forum for GETPAID users.
