

5-Day Course

FINANCIAL STATEMENT ANALYSIS

In-Person Coppell, TX

August 20th - 24th
8:30 am - 4:30 pm

WHAT WILL YOU LEARN

Using the text, "Understanding Financial Statements", this course presents an overview of financial statements and then dives into the Balance Sheet, the Income Statement, Statement of Stockholders Equity, and the Statement of Cash Flows.

The final chapters examine sources of information, such as audit reports and 10Ks, and key financial ratios, including activity, profitability, and leverage ratios. Short-term liquidity, operating efficiency, capital structure, and long-term solvency are also examined.
